DISCUSSION GUIDE - ecoliteracy.org

This teacher's guide is a companion to the Academy Award-nominated documentary Food, Inc., which takes a critical look at the industrialization of our country's food supply. Participant Media produced the film in collaboration with River Road Entertainment and Magnolia Pictures. “Food, Inc. has helped launch a vibrant national conversation about the future of food and farming in America,” says Michael Pollan, bestselling author of In Defense of Food: An Eater's Manifesto and The Omnivore's ...

Food, Inc. Discussion Guide | ecoliteracy.org

Food, Inc. is a 2008 American documentary film directed by filmmaker Robert Kenner. The film examines corporate farming in the United States, concluding that agribusiness produces food that is unhealthy, in a way that is environmentally harmful and abusive of both animals and employees. The film is narrated by Michael Pollan and Eric Schlosser.. The film received positive responses and was ...
