THE STEWARD, the first of four books in the Weald Fae Journals young adult fantasy saga, stands apart from other young adult fantasy stories because of the concept—I wanted to create a world in which the Fae could blend with the real world, one in which folklore and legend could seem absolutely real to the reader.

About The Books - FAE JOURNALS

The Steward (Weald Fae Journals) is fast paced with a strong protagonist. It's set amidst the beauty of the Ozarks in Arkansas; who would expect to meet the Fae here? That's fairies to the uninitiated - but nothing like tinkerbelle. These are the classic faeries from Celtic lore who rule the woodlands and control the elements.
