[Thing Explainer: Complicated Stuff in Simple Words: Munroe ...](#)

Thing Explainer is a book about how things work but only using the most common words in the English language. Randall Munroe, the author of the book, intentionally use simplified words to give equivalentors to explain, which is here and there a bit confusing. The idea is that if you truly understand something you can break it down into simple words enough for anyone to understand.

Thing Explainer: Complicated Stuff in Simple Words. XKCD comic artist Randall Munroe has created a book to explain how things work. Leaving behind technical jargon, he does his best to describe the inner workings of washing machines and dryers, space stations, and airplanes, except that in jettisoning jargon he also abandons the terms " washing machine, " " dryer, " " space station, " and " airplane " in favor of " boxes that make clothes smell better, " " shared space house ...
